Newsletter

July 2015

Welcome to The Mendip School's first newsletter.

My name is Amanda Lear and for the last four years I have been chair of The Mendip School working group, now our dream has turned into reality and I have taken on the role of Chair of Governors. One of my three children has special needs and currently attends Fosse Way School, this together with being a governor at Fosse Way has given me a good insight into the everyday workings and ethos of the school.

I believe that each child attending The Mendip School should have an enriched education enabling them to achieve their full potential and make outstanding progress. With this aim in mind I look forward to working with staff and parents in September. Exciting times ahead!

I hope you have now had a chance to look at our new website and see some of the activities the children did during their induction. We have now appointed all staff ready for September and are really looking forward to welcoming you and your children to The Mendip School. I hope everyone has a happy, restful summer holiday.
